

Sahana Software Foundation

Announcement
First Annual Meeting of the Members and Board of Directors
Sunday, May 2, 2010
Crowne Plaza Hotel
1113 Sixth Avenue
Seattle, Washington 98101 USA

All Members and Directors of the Sahana Software Foundation are hereby notified that the (First) Annual Meeting of the Members and Board of Directors of the Sahana Software Foundation will take place on Sunday, May 2, 2010 in Seattle, Washington, United States of America at the Seattle Crowne Plaza Hotel.

The date, time and location has been chosen to coincide with the 7th annual ISCRAM conference, which many of our members and community plan to attend. It also takes place immediately before the next RELIEF experiments in Camp Roberts near Paso Robles, California. We hope that this date and locale will make it possible for many to be able to attend our Annual Meeting.

We will attempt to make arrangements to provide a conference call / web conference facility for those who can not attend in person, but this is not guaranteed. This should be considered a face-to-face in person meeting. Proxies should be signed and returned by those not able to attend in person such that their votes can be cast on the membership and directors.

The agenda will look something like the following:

- 08:00 Breakfast
- 08:30 Members Meeting
 - Report of Officers to the Members
 - Review of Nominations of New Members
 - Election of New Members
 - Review of Nominations for the Board of Directors
 - Election of Board of Directors
 - General Discussion
- 12:00 Lunch
- 13:00 Sahana Symposium/Mini-Conference
- 15:30 Breakout Meetings of Committees and Projects
- 17:00 Adjourn
- 18:00 Dinner Meeting of the Board of Directors

900 Wilshire Blvd, Ste 1500, Los Angeles, CA 90017
<http://www.SahanaFoundation.org>

We will separately circulate and explain procedures for nominating new Members and Directors, as well as how to return proxies for those unable to attend in person such that all Member's votes may be cast and counted at the meeting. We will also solicit requests for speaking slots or topics to be addressed at the Symposium, which will be open to anyone.

At this time, the Sahana Software Foundation has no resources to provide any support for any travel, accommodation, or registration at the ISCRAM conference. We are seeking corporate sponsorship for our meeting and may be able to provide partial support for airfares for those invited to attend the RELIEF 10-3 experiments at Camp Roberts, but at this time, you should assume that such support is not available and make your own arrangements to attend.

Please let us know as soon as possible if you plan to attend and under what conditions by filling out the following form: <http://u.nu/6rkv7> or e-mail this information to membership@sahanafoundation.org.

Thanks and best regards,

A handwritten signature in black ink, appearing to read "Mani A." followed by a stylized flourish.
